Address: 916 Prachak Rd, Nongkhai 43000, THAILAND. E-mail: [sponsorships@gmail.com](mailto:sponsorships@gmail.com)

Dear donors

I am Sr.Jintana Phimsan the director of Child and Youth Development Programme, Nong Khai Thailand.

I would like to thank you for your kindness and good support of scholarships for our students over many years, we are grateful and very happy. Over the past 2-3 years, a number of things have happened in our project. Which is both good and not so good, causing us to plan our work to suit covid-19 and financial situation. About visiting students' families and schools during the covid-19 situation, we contacted by phone and scholarships were given in small groups of up to 50 students. Most of the learning during that time was online.

I apologize for the delayed contact over the past year and for the current staff and myself, we are going to be more systematically and not overloading work in order to Coordinate with you regularly and for benefit our students in the long-term.

Best Regards

Sr.Jintana Phimsan

Director of Child and Youth Development Programme.
